About Northcliff Resources Ltd.

Northcliff, associated with Hunter Dickinson Inc. (HDI), is a mineral resource company focused on advancing the Sisson Tungsten-Molybdenum Project located in New Brunswick, Canada, to production. The results of the Feasibility Study completed in January 2013 confirmed that the Sisson Project is technically and economically feasible and can move on to the next stage of development.

The Sisson Environmental Impact Assessment Report (the "EIA Report") was submitted to both the federal Canadian Environmental Assessment Agency ("CEAA") and the New Brunswick Department of Environment and Local Government in July 2013. The Company received provincial EIA Report approval on December 3, 2015. A federal decision from CEAA is pending. Permit applications for construction and operation will be finalized and submitted following a positive federal decision.
